### **Mission and Vision**

The mission of **One Dream Foundation** has remained the same since its founding in March 2007 by Betty Phiri Chibwe and Oliver Chibwe.: to “promoting the value of giving in our community”. Giving in health, poverty, education, social and access to technology in developing countries globally. **One Dream Foundation** is a 501c3, **tax exempted** public charity.

### **GAP - Good Ambassador Program**

At **One Dream Foundation**, we have a volunteer program based on Time, Influence and Talent called **Good Ambassador Program or GAP**. We enlist public figures or prominent personalities or corporate companies from the worlds of art, music, film, sport, technology, education, finance, health, social, science and literature to promote, highlight our key issues and to draw attention to our short and long terms goals in public settings. This is part of promoting the value of giving to our community as a foundation to motive and inspire humanity.

**Good Ambassadors** enlisted at **One Dream Foundation**, are provided with official materials that include our mission, vision, values and short & long term goals of the foundation. **BE ENLISTED AS A GAPER AND PROMOTE OR SPEAK TO INSPIRE** as a way to give back.

### **Short Term Goals**

#### School

- Donating school supplies i.e. books, calculators, pens & pencils, etc. Sports items i.e. soccer balls, tennis shoes, jerseys & sports bags etc. Identifying outstanding students who would potentially transition into our college.

#### Health

- Donating hospital supplies in rural Health Centers i.e. gloves, disinfectants, gauze, etc. Giving basic health education i.e. preventing HIV/AIDS, healthy diet. Clean water project. Provide access to technology. Donating used computers to rural schools. Identifying volunteers to teach basic computer skills to students

### Long Term Goals

- Building an Ivy League University, Green/Solar Hospital and Research Center in Zambia, Africa

### The App

As of 2015, **One Dream Foundation** with the help of **Krysto Drym Inc.** created and developed an App called Lubwe Radio Mix. The App plays mixes from around the world 24/7.

The App is now available in Apple, Google and Amazon store for \$1.99 ONE TIME PAYMENT. All proceeds go towards building a hospital in Zambia, Africa under the long term goals. So far we have sold more than 10, 000 downloads from around the world. Our goal is to sell more than 1 million downloads by 2017 so we can break ground for new hospital in Zambia.

### The Store

We have an online store called **One Dream Foundation store**, selling global crafts made by women from developing countries, not only creating a global market but also a warehouse outlet to compete and showcase their products while promoting the value of giving to our communities at large.

### #SendBetty2school

#SendBetty2school is a campaign, we sponsor 150 girls by paying school fees annually, shedding light on the difficulties young Zambian girls face to receive education in rural areas.
